RE: **Request to close right-of-way for a Portion of Kallam Road and two unopened alleyways extending off of the road**

Planning Staff has reviewed the above referenced petition and has the following findings:

- No negative impacts from right-of-way being closed on the subject portion of Kallam Road and the two unopened alleyways. All of the properties affected are owned by the petitioner.
- The maintenance of the road was abandoned in 2002; however, the public right-of-way for the road was not closed at that time.

A checklist is attached which documents our findings. Planning staff recommends approval of this request to close the right-of-way.
