Re: 2017 Local Bond Fund Request for Safety and Traffic

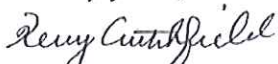

Dear Paul:

Within our 2017 School Bond we identified 4 sites in need of safety and traffic improvements. Those designs vary from site to site and will improve the flow of students, pedestrians, cars, buses, and provide shelter for school and public safety. We request the funds listed below to meet projected schedules. We must select design engineers, traffic consultants, planners, and prepare construction documents for the projects below. After the projects have been approved and bid, we will request funding for construction.

<u>Project</u>	<u>Initial Funding Request</u>
Meadowlark Elementary & Middle – Safety & Traffic	\$200,000
Wiley Middle & RJR High – Safety & Traffic	\$250,000
Parkland High School – Safety & Traffic	\$100,000
Southeast Middle – Safety & Traffic	\$35,000

As usual Darrell Walker or I will be available to brief the Commissioners at your request.

Sincerely yours,

Kerry Crutchfield
Interim Finance Officer
