

Relatives as Parents Program (RAPP)

2014 Holiday Sponsors

A colossal, special thank you goes out to Boy Scout Troop 919, coordinated by Stan Gordon and partners! The troop has supported our efforts in delivering holiday items for the last five years, and is committed to continuing to help each year.

Thanksgiving Contributors:

As they have done in years past, the Siemens Company (coordinated by Venessa Griffin) generously donated Thanksgiving meals to three families, serving 15 children, and we are grateful for their continued support.

Additionally, Mount Sinai Full Gospel Deliverance Center (coordinated by Clarissa Mitchell) served four RAPP families with food for 21 children and their caregivers.

And finally...

Each year, we have individuals who come forward to donate time and treasure to helping with our Holiday Project, but wish to remain anonymous. For their generosity, we are also grateful.
