Observations and Corrective Actions

- 3-501.19 Time as a Public Health Control P,PF. Employee cut tomatoes and left them at room temperature on a prep table without labeling the pan with a time sticker. The time as a public health control procedures in place require that tomatoes be labeled with a 4 hour discard time immediately after being prepared. CDI-Employee placed tomatoes into walk-in cooler until ready to go on sandwich line./A pan of tomatoes from the previous day was in the walk-in cooler with a time sticker for discard the previous day. The time as a public health control procedures in place require that after 4 hours, tomatoes kept at room temperature be discarded. Discard all items after their 4 hour time stamp. CDI-Employee discarded tomatoes.
- 37 3-305.12 Food Storage, Prohibited Areas C. General Comment-Repeat-Food in the walk-in cooler & freezer is stored underneath copper piping that is not shielded to intercept condensate. Food may not be stored underneath piping that is not shielded to intercept leaks. All piping in the walk-in cooler and freezer needs to be wrapped with vinyl jacketing to intercept condensate and prevent pipes from leaking on food underneath. District manager stated that PVC jacketing was on order and that it would be installed before the end of the month.
- 42 4-901.11 Equipment and Utensils, Air-Drying Required C. Repeat violation- Approximately 75% of pans were stacked wet on the metro shelves near the 3-comp sink, After washing, rinsing, & sanitizing dishes, air dry them before stacking them. CDI-Pans were stacked on shelving to facilitate air-drying.
