

Thanks so much for your servant heart and the willingness to serve!!!

Sponsor Process:

Step one:

- Contact RAPP to let us know you'll be sharing with a family this year. You can reach Katie McDaniel, Program Coordinator at 336-703-3744, or by email at mcdanike@forsyth.cc
- The coordinator then mails or e-mails the family's wish list to you within two days.

Step two:

- The sponsor group then purchases items *you wish to share* or give to the family. Families understand there is *no commitment* they'll receive every wish on their list.
- Wrap all items, place name tags on each item.

Step three:

Holiday donations must be received by Thursday, December 12th at 5:00pm. Deliver items to the Forsyth County Department of Social Services by scheduled Appointments. Deliveries require a scheduled date/time to assure availability. Group drop offs are set by the group's needs & pre-arranged with the coordinator.

We respectfully request to know up front, when a group is unable to deliver gifts to us at drop off.

Step four:

RAPP staff delivers items to all families no later than Thursday, 12/19/2010 at 5:00pm.

Project Close:

Formal thank you's from RAPP will be sent out once the project has concluded. Our families will send a "thank you" that RAPP will forward by regular mail to protect sponsor information and privacy.

We request that groups not ask the family to share photos, or mail letters as this protects the privacy of the family. Groups will receive a family written thank you.
