

FORSYTH COUNTY CENTER

What's Happening - January 2022

Horticulture

Soil Basics Workshop

Date: Wednesday, January 12, 2022**Time:** 4:00 p.m. - 5:30 p.m.**Location:** N. C. Cooperative Extension office
1450 Fairchild Rd, Winston-Salem**Registration required:** [Online with Eventbrite](#)**Description:** This free workshop will cover the basics of building and managing healthy soil. Understanding simple soil nutrients, how to take and interpret soil tests, and how to manage healthy soil long-term will be discussed.

Annual Garden Planning

Date: Thursday, January 20, 2022**Time:** 4:00 p.m. - 6:00 p.m.**Location:** Crossnore Communities for Children
1001 Reynolda Rd NW, Winston-Salem**Registration is required:** [Online with Eventbrite](#)**Description:** Start the year off right with a solid garden plan. When it comes to managing a garden, a strong garden plan is key for success. This free workshop will cover drawing and designing your garden, organizing growing space, and planning activities for the year.

Planting the Garden: Succession & Companion Planting

Date: Saturday, January 22, 2022**Time:** 10:00 a.m. - 12:00 p.m.**Location:** N.C. Cooperative Extension
1450 Fairchild Rd, Winston-Salem**Registration is required:** [Online with Eventbrite](#)**Description:** Learn more about garden succession (staggering your planting) and companion (plants that work well together) planting to make the most of your garden space.

Microgreens Workshop

Date: Wednesday, January 26, 2022**Time:** 5:30 p.m. - 7:00 p.m.**Location:** N. C. Cooperative Extension office

1450 Fairchild Rd, Winston-Salem

Registration required: [Online with Eventbrite](#)

Description: Microgreens are flavorful, nutrition-dense, young seedlings of vegetable or herbs typically harvested within only 1-3 weeks of sowing. They make great additions to salads, smoothies, and elevate any dish when used as an attractive garnish. In this free class, learn the basics of microgreen gardening and gain hands-on experience preparing and seeding trays using materials you likely already have.

****Coming in early February****
