

RESOLUTION OF THE FORSYTH COUNTY BOARD OF ELECTIONS

Policy for Truck Rental Agreements and Insurance Coverage

WHEREAS, the Board of Elections requires the rental of moving truck(s) for its operations; and

WHEREAS, the cost of the moving truck(s) rental is \$5,000 or less within a fiscal year; and

WHEREAS, the County Attorney's Office and County Risk Management have determined that the use of the County Agreement is not required for truck rentals that meet this threshold; and

WHEREAS, in lieu of the County Agreement, the Board of Elections will proceed by enrolling with the vendor's lease agreement; and

WHEREAS, pursuant to Forsyth County policies and procedures, the rental trucks will be covered under the County's applicable automobile insurance coverage, and the Board of Elections will therefore not purchase the vendor's separate liability or physical damage insurance coverage.

THEREFORE, BE HEREBY RESOLVED by the Forsyth County Board of Elections, that the provisions outlined above regarding moving truck rental(s) are hereby approved. The Board of Elections will ensure all necessary documentation is in place to meet these requirements and proceed with the lease agreement accordingly.
