Department Updates

Forsyth County Agricultural Park Grand Opening

Forsyth County Parks & Recreation is excited to announce the grand opening of the Forsyth County Agricultural Park in Tobaccoville, NC. A ribbon-cutting ceremony was held on June 26, 2026, marking the official opening of this innovative community facility.

The Forsyth County Agricultural Park is a collaborative partnership between the Forsyth County Cooperative Extension Office and Forsyth County Parks & Recreation. Designed to serve dual purposes, the park will function as both a recreational and event destination for Parks & Recreation patrons and as the home base for Cooperative Extension programs and services.

The facility features a walking trail, a state-of-the-art training kitchen and event room, and a large exhibit hall capable of hosting a wide variety of educational programs, community events, meetings, and agricultural activities. By combining recreation, education, and community engagement opportunities in one location, the Agricultural Park is positioned to become a valuable resource for residents throughout Forsyth County and the surrounding region.

Forsyth County Parks & Recreation looks forward to welcoming visitors and seeing the positive impact this new facility will have on the community for years to come.
