

Do you or your loved one need Naloxone?

Naloxone is the life saving drug that reverses overdose from things like prescription opioids, heroin, and fentanyl.

It is available at no cost to you.

Pick up Naloxone at the Registration Window at Forsyth County Public Health!

- We offer the Narcan™ brand Naloxone, which is a nasal spray
- Each box comes with instructions for use
- Simply request "Narcan" or "Naloxone" at the front desk and you can receive it with no questions asked

Naloxone is a safe drug. It cannot be abused. It is safe for adults and children.

NALOXONE SAVES LIVES.
